

DEVELOPING LEADERSHIP SKILLS

Each Bethel has 2 meetings per month from September until June. There are two terms in a year and each term, five officers are elected and the rest of the members appointed.

The meetings are run by the girls and follow a specific agenda. At these meetings, the girls plan their activities, fun events and projects. The elected officers usually each have a project that they plan and organize.

PUBLIC SPEAKING

There are 19 officers in a Bethel and each position involves a different amount of memory work, which is recited at each meeting. There is an increasing amount of memory work and public speaking for each of the elected officers. This progression develops the girls' self-confidence and their public speaking abilities.

Exciting opportunities await young women today. The experience they gain as a member of Job's Daughters will help them now and in the future.

Job's Daughters was founded in 1920 and has groups (called Bethels) throughout Canada, the USA, Australia, Brazil and the Philippines. Our charity, H.I.K.E. Fund (Canada) provides hearing devices for children in need.

Bethels also do volunteer work for a variety of charities and participate in many service projects with other organizations such as: the Cancer Society, Heart and Stroke Foundation, the Kidney Foundation, local Christmas bureaus, B.C. Children's Hospital, Make-A-Wish Foundation, pediatric wards etc.

They also take part in community events like parades and celebrations.
