WELCOME TO JOB'S DAUGHTERS

We are happy to have you as a Jobie-to-Bee!

As a member of our Jobie-to-Bee Program you have been given your Jobie-to-Bee button and this booklet. You will be invited to be in parades, be a program attendant at Installations, help at fund raisers, attend functions before or after a regular meeting and be at any fun things the Bethel does. You are invited to wear your Bee button whenever you attend a Job's Daughters function and at any other time. We hope that you will tell all your friends about the Jobie-to-Bee program and the fun you are having.

During the time you are a Jobie-to-Bee you can use the calendar in the back of this booklet to help keep track of all the fun things you do with the Bethel before you are initiated. A fun way to keep track is by placing stickers on each month to represent the activities you have attended. As you fill in the calendar with stickers, we will get to know you and we want you to get to know us, too!!
